Economical & versatile colour printer built for reliable productivity

Productive features in a small footprint

Colour print speeds of 20 pages per minute let you enjoy superb quality 2,400 x 600dpi resolution. The printer driver offers advanced features like electronic sorting and booklet printing. What's more, larger print jobs won't slow down your PC or network due to enhanced printer technology.

Scan, copy, fax and print with the SP C252SF

Maximise your return on investment and enhance your communications with an MFP device. Speedy full colour scanning in only 7.9 seconds at up to 600 x 300 dpi, G3 fax capability and seamless document copying ensure you have total document control at a fraction of the cost of separate machines.

Mobile printing from smartphones

RICOH SP C252DN/SP C252SF offer true flexibility, with USB 2.0 and wired and wireless network connectivity as standard. For the ultimate in time-saving convenience, you can even print from a smartphone or tablet using the Ricoh Smart Print & Scan app[1].

Greater economy and low total cost of ownership

With a TEC rating of just 1.6kWh, double-sided printing and Economy Colour mode, these machines offer greater economy. With a robust design and long-life components, they are built to last. Their duty of 65,000 pages per month ensures peak print volumes are matched seamlessly for a lower total cost of ownership (TCO).
